

Unrestricted Tournament Insurance Requirements

UNRESTRICTED TOURNAMENT INSURANCE POLICY

A tournament sanctioned by NCYSA may declare itself to be “Restricted” – open only to teams from USSF National State Associations or “Unrestricted” – open to teams from all USSF affiliates. If a tournament desires to be “Unrestricted”, the tournament must purchase and provide evidence of a \$1,000,000.00 CSL comprehensive general liability policy including coverage for participant/spectator medical payments. In lieu of medical payments, a sports accident policy with a \$10,000.00 limit of liability per injury is acceptable. NCYSA and the hosting NCYSA member association shall be listed as additional insured and a hold harmless and indemnification agreement in favor of NCYSA must be executed. Before NCYSA will sanction any “Unrestricted” tournament, the insurance policy(ies) must be approved by NCYSA.

UNRESTRICTED TOURNAMENT SANCTIONING

If your tournament is planning to host an unrestricted tournament, NCYSA/USYS requires the following:

The Hosting tournament must provide -

- 1) Liability insurance for ALL participants in the tournament. This will be a CSL comprehensive general liability \$1,000,000 policy that the host association must obtain. NCYSA 's liability coverage does not apply when a tournament chooses "unrestricted" due to opening the tournament to teams from ALL USSF affiliates. NC Youth Soccer (NCYSA) should be listed as the “Certificate Holder”. (See above NCYSA policy above)**
- 2) Medical coverage for non-NCYSA team participants only. NCYSA/USYS affiliates will use their own insurance policy provided by their state for medical coverage.**
- 3) Sign the Hold Harmless Agreement releasing NCYSA from any liabilities arising from or relating to the unrestricted tournament. (This form is included in the tournament packet.)**
