PHILOSOPHY

"True player development focuses on the development of the player, not the development of the team! Up to age 12, this should be the only criteria used in designing and running youth soccer programs."

-Ron Quinn, leading contributor US Youth Soccer Programming

More than 73% of all kids who play organized youth sports end up quitting by the time they reach the age of 13 (Time Magazine, July 12, 1999)

The major two reasons children give up sport:

1. It's no longer fun
2. It's too competitive/too much pressure

MISSION STATEMENT

Associations must be empowered to provide a variety of programming options for their players. The NC Youth Soccer Academy Program philosophy is to emphasize player development over team development and focus on the technical development of each child without the pressures of short-term wins/losses/results.

GENERAL INFORMATION

1. The NC Youth Soccer Academy Program will be offered for the TRUE 7U - 12U PLAYER age groups.
2. In addition to these NC Youth Soccer Academy Program Rules, the rules and policies of NCYSA, USYSA, and USSF are applicable.
3. Associations that notify/apply to implement and participate in the NC Youth Soccer Academy Program is based on the rules herein.
4. A NC Youth Soccer Academy Committee will be the governance of the NC Youth Soccer Academy Program. Subject to the NCYSA Executive Board, the NC Youth Soccer Academy Committee will accept associations to participate in the program upon determining compliance with these rules. The Committee may apply sanctions if an association fails to meet the criteria listed in these guidelines or intentionally violates them.
5. The NC Youth Soccer Academy Committee will be comprised of the NCYSA VP for Player Development, the NCYSA Technical Director of Coaching Education and Player Development, the NCYSA Assistant Technical Director for Academy and members approved by NCYSA Executive Board.

ASSOCIATION GUIDELINES

1. Associations will be accepted for participation in the NC Youth Soccer Academy for a period of one (1) seasonal year. They must participate for the full year (fall and/or spring seasons). Associations must re-apply for acceptance every seasonal year by means of an ITP application each fall and spring. The ITP will be the Association's commitment to have teams in the Academy program.
2. Associations must administer a NC Youth Soccer Academy Parent Engagement Program in accordance with the NCYSA Youth Academy philosophy established by the NC Youth Soccer Academy Committee.
3. Each association must have an established yearly curriculum for its NC Youth Soccer Academy program that must be submitted to the NCYSA Director of Coaching on a date set by NCYSA. Help in creating a NC Youth

Soccer Academy curriculum will be provided by NCYSA Technical Director of Coaching Education and Player Development, the NCYSA Assistant Technical Director for Academy, the local “NC Youth Soccer Academy Liaison,” and the NC Youth Soccer Academy Committee.

4. Each association will be required to have its representatives attend two seasonal scheduling meetings: one for the fall season and one for the spring season.
5. The Associations Academy Director and those coaches coaching in the association’s academy program must adhere to the following coaching education guidelines. Associations have a two-year period to accomplish these goals.

PRE-ODP – OPTIONAL COMPONENT OF NC YOUTH ACADEMY

The aim would be to implement the US Youth Soccer ODP Player Manual, currently utilized by NC ODP, which provides a player development curriculum for the 11U-12U age group and beyond.

Players would develop two-fold as they are immersed in the 7U-10U curriculum then graduate to the 11U-12U “Pre-ODP” player development curriculum. This “Pre-ODP” training would supplement the learning environment already established in our current NC Youth Soccer Academy Associations, thus introducing players and parents to the NC ODP program’s focus on development of players at an earlier age.

1. PROGRAMMING

The NCYSA Technical Director for Coaching Education and Player Development and the NCYSA Associate and Assistant Technical Director will work with each NC Youth Soccer Academy Director on implementing the US Youth Soccer ODP Player Manual for the “Pre-ODP” 11U-12U players which:

- a. Creates an opportunity to evaluate coaches and players while providing support & feedback.
- b. Creates an environment which is age appropriate and player centered where NC ODP coaches can begin to evaluate players in a controlled environment.
- c. Provides the NC Youth Soccer Academy Fall & Spring Showcases as an assessment opportunity; with the intent of inviting players to NC ODP training sessions and/or tryouts.
- d. Gives a natural building block of player development from 7U-10U to 11U-12U.
 - i. Educates the players and parents of the NC ODP process as well as future opportunities for their sons and/or daughters through ODP Sub-regional & Regional Events.
- e. Gives those associations participating in the NC Youth Soccer Academy Program a marketing tool to retain players through this unique programming. This merging of the NC Youth Soccer Academy Program curriculum and the NC ODP Program curriculum will permit both programs to develop players for the future of soccer in North Carolina no matter what pathway the player chooses.
