

NCYSA KIDS SAFE & RISK MANAGEMENT

PARENTS, DID YOU KNOW?!

ANYONE WORKING WITH YOUR CHILD SHOULD BE ABLE TO SHOW YOU ONE OF THESE TWO PASSES!

The pass confirms that NCYSA has obtained a criminal background check on this individual (if over 18) and the individual has completed the SafeSport Abuse Prevention training as required by federal law. This individual has been cleared to work with your youth athlete.

Check for the passes to verify that anyone working with your child has been properly approved!
